

**BENCHMARK  
LOGISTICS**

*Trusted Strategic Partner*

**Welcome to  
Benchmark Logistics**

Your Trusted Strategic Partner

# Your Trusted Strategic Partner.

## Work With Benchmark Logistics

We find best of breed transport solutions that meet your specific needs and manage the day-to-day operating rhythm on your behalf.

Selecting the right carriers and tracking the delivery of your requirements results in time back in your day to work on priorities to grow your business.

Every business has a different requirement, so choose a partner that can flex to meet those needs every day.

## Our Clients Enjoy The Benefits Of Having:

### Best Of Breed Pricing

We always make sure that you have the Best of Breed carriers and pricing.

### A Strategic Partner

We are not just a supplier who moves freight, we also provide forward-thinking strategies to adapt to your business needs.

### Continuous Improvement Focused

Our freight profile analysis will shine the light on operational efficiencies to optimise your freight management costs and execution.

**TRANSPARENCY – CONFIDENCE – FIT FOR PURPOSE**

## We Forensically Review All Areas Of Your Supply Chain

- Supply Chain Network.
- Deep Dive your Current Rate Card.
- Question All Charges.
- Fully Understand your Customer Service Promise.

## We Develop A Clear Profile Of Your Freight Charges

Rest assured that Benchmark Logistics will be here to help you develop a clear profile of your freight charges.

## Benchmark Against Best Of Breed With Suppliers

We benchmark against Best of Breed with suppliers that are aligned to your profile, customer service promise, and present to you an operational cost saving of an average 10% and better.

## Implementation And Management

We then implement and manage for you using our experience, supplier relationships with an intuitive technology solution (MachShip).

Benchmark Logistics uses **MachShip** software to support and manage its freight.

### Here is what our clients say.

"From our network & also myself, the service level provided by Benchmark Logistics is above & beyond. I can recall quite a few times that this has happened. Emma at customer service fills you with the absolute confidence the response time and the solutions offered are just fantastic. Scott always ensuring that the service level is high and is always striving to ensure that this is paramount to our business.

We need a level of service & confidence as we enter a new era of supplying flooring to a national business. Not only for our customers, but also for our stores. Benchmark logistics ensure and strive that we have this high level of service on a continuous basis."

- Alex Morellato, National Sales and Category Manager – Flooring

"This may be the best service I have ever had from a transport company."

- Anthony Lustri, Account Specialist

"Source relevant vehicles at better than competitive rates. Aligning your specific needs with the right provider at the right time.

Manage our needs across fixed, ad hoc and specialty freight. Benchmark always delivers the job and supports our work with detailed, intelligent, timely communication."

- Scott Mundy, CD Warehousing
